

Oversteps News 14

November 2010

The latest new collection from Oversteps is **Weight and Flight** by Angela Stoner; ISBN 978-1-906856-17-5, November 2010, 58 pages, RRP £8.

Angela's work is inspired by the landscape of Cornwall, and publication of this book brings another West Country poet to the Oversteps list. Besides writing poetry and short stories, Angela runs courses and writes articles on the healing power of writing. She regularly performs her work at festivals, and her book, *Once in a Blue Moon*, was published by Fal Publications in 2005.

Details for ordering Angela Stoner's book can be found below; and we are also offering some bumper packs of books that might help you with your Christmas shopping.
